

Hope Academy Charter School Home/Online Learning Plan

Roles and Responsibilities of Parents

Support your child in their learning process by:

- **Monitoring updates and checking in with your child daily about the virtual school learning tasks, activities, and assessments that they are working on.**
- **Ensuring class participation during the virtual school check-in times offered by each of your children's teachers.**
- **Designating a place where your child can work on his/her assigned tasks.**
- **Asking your child to provide a brief summary of the learning he/she is engaging in for each class to ensure their understanding of the content and of the process they are being asked to engage in to demonstrate their learning.**
- **Asking your child about their deadline calendar and supporting them, as needed, in submitting assignments in accordance with the established deadlines.**
- **Reminding or helping your child to contact his/her teachers if they have any questions.**

Responsibilities of Students

- **Dedicate appropriate time to learning as guided by your teachers.**
- **Check your teachers' Google Classrooms, Class Dojo, Remind notifications, and/or emails for information on courses, assignments, and resources, on a daily basis.**
- **Attend and participate in virtual school check-in times offered by each of your teachers.**
- **Find/create a comfortable and quiet space to study/learn.**
- **Contact your teacher if they have any questions.**
- **If you are having difficulty accessing the internet please contact the teacher or call the school.**
- **Submit all assignments that represent your own work and in accordance with provided timelines and/or due dates.**

Altice has suspended our Student Wi-Fi service and will be providing this service at no charge to our customers and residents during the response period.

The wide area Wi-Fi can be accessed at no charge for anyone with a Wifi enabled device while within our coverage footprint. School Districts will still be responsible for VPN and content filtering on any school issued device. **Please instruct your team and students to select the SSID “optimumwifi” for open access (no username or password required).**
